

Sandesh Bastakoti

Professional Title: FullStack Googler & Certified Stack Overflow Copier

Career Objective

To obtain a high-paying job where I do minimum work, attend maximum meetings, and say phrases like *“Let’s circle back”* and *“That’s a great question”*.

Skills

- Turning coffee into code
- Debugging by adding random print statements
- Ctrl+C, Ctrl+V (Expert Level)
- Pretending to understand bugs until they disappear

Work Experience

Senior Intern – YouTube University (2018 – Present)

- Watched tutorials at 2x speed
- Skipped ads like a professional
- Forgot everything the next day

Achievements

- Fixed a bug by restarting the computer
- Ran code successfully after 17 tries
- Once compiled without errors (legendary moment)

Declaration

I hereby declare that all the information above is technically true if you don’t verify it too deeply.
